Re: FSA Store Partnership
Date: July 10, 2015

WageWorks has teamed up with FSA Store to provide KEHP members with an even easier way to use their WageWorks Healthcare FSA/HRA dollars. Here are some highlights of this partnership:

- **Automatic Card Use Verification:** When members use their WageWorks Healthcare Card to buy products and services from FSASTore.com, card transactions are automatically verified—no more submitting receipts.
- **Simplified Spending:** There are more than 4,000 products on FSASTore.com that are all eligible for Healthcare FSA/HRA reimbursement. KEHP members can buy everything from glasses and contact lenses to diabetes care supplies.
- **Great Service:** FSA Store provides great services including 24/7 customer service, one-to-two-day order turnaround on orders, and free shipping on orders more than \$50. Plus, FSA Store will help members get reimbursed for over-the-counter items by submitting prescription requests to their healthcare provider on their behalf.
- **Helpful Information:** FSA Store features a national provider database of Healthcare FSA-eligible services and a Healthcare FSA Learning Center to help members understand and get the most from their Healthcare FSA.

As of June 30, KEHP members are able to access FSASTore.com from www.wageworks.com. WageWorks will begin promoting this new partnership to participants between late July and early August.
